Puidukoda PUIDUKOLORS painted Cladding and Decking from Siberian Larch.

Sikkens is a wood coatings specialist with over 200 years of experience, founded 1792 in Holland. Sikkens is a part of the AkzoNobel Group, with over 50 000 co-workers in 80 countries around the world. Puidukoda is using Sikkens waterbased acrylic paints with high weather resistance for producing the Siberian Larch painted products.
